WINTER MAINTENANCE

It's time to start planning for your winter maintenance, repairs and spreadtesting. We urge you to book promptly so all parts can be ordered and in stock to avoid delays.

Call on 307 7445 or email service@euroagri.co.nz

WELCOME TO THE TEAM

In January we welcomed Nathan McCloy to the team as Service Administrator. Nathan's role is to work alongside our Service Manager and take care of bookings, planning and invoicing for the workshop.

This also creates time for Terry our Service Manager to be more hands on with the tools.

Nathan can be contacted on 027 441 4444 or service@euroagri.co.nz
