MID CANTERBURY FARM MACHINERY EXPO

The first ever Mid Canterbury Farm Machinery Expo was held on November 5th at the Ashburton Business Park on JB Cullen Drive. The event came about as an opportunity to showcase our local businesses and their products, and as a chance for farmers, contractors and businesses together to kick some tyres and have a well overdue catch up.

every exhibitor enjoyed the chance to catch up with not only farmers and contractors but other like-minded businesses too.

WELCOME TO THE TEAM

Since our last newsletter we have welcomed two new people to our team.

Sebastian Walker is our apprentice mechanic joining the service team part time while completing his papers.

Terry Gordon joined Euro Agri in late November. Terry is also in our service team, and brings with him a wealth of experience.
