**Your quarterly newsletter from the team at EuroAgri -
March 2021**

Welcome to the Euro Agri Newsletter; we are delighted to be delivering our quarterly news, updates and specials to you.

UPCOMING EVENTS

March is going to be a busy month for the team at EuroAgri with both Mayfield and Methven A&P Shows and the South Island Agricultural Field Days.

Key dates for your diary:

March 13th - Mayfield A&P Show. Now in it's 4th year, the very popular tractor pull will

March 20th - Methven A&P Show. After sadly having to cancel the show last year due to COVID, we are excited to be back at the Methven A&P Show in 2021. We will be in the trade area, beside R&R Spreading.

March 24-26th - South Island Agricultural Field Days at Kirwee. All the sites are sold out and South Island Field Days 2021 is going to be epic. We'll be at site #'s 557-559 (see below for competition details).

SIAFD COMPETITION

Pop by our site at the South Island Agricultural Field Days at Kirwee on 24-26 March and go in the draw to win an Agreto Soil Compaction Tester.

Agreto specialise in the manufacture of measuring and weighing products that are designed to improve efficiency's while being robust, precise and durable. We currently stock Agreto baler mounted moisture testers, three point linkage scales and soil compaction testers.

Take some time at Field Days to have a closer look at the products and grab a brochure.

WIN: AGRETO SOIL COMPACTION TESTER

Visit our stand and enter the draw to win a **Agreto Soil Compaction Tester**.

BENEFITS OF SOIL COMPACTION TESTING:

- Localisation of unwanted soil compaction
- Allows proper measures to eliminate soil compaction
- Helps ensure better soil structure
- Helps achieve higher yields

WELCOME TO THE TEAM

We are pleased to welcome Eliot Schofield to EuroAgri.

Eliot is joining our team as a Product Specialist and brings with him a wealth of knowledge and hands-on experience from his time contracting. He's looking forward to getting out on farm and demo-ing our equipment.

You'll see Eliot at both the Mayfield and Methven A&P Shows and at our site at the South Island Field Days.

If you happen to bump into Eliot be sure to say hello.

PRODUCT HIGHLIGHTS

Billericay Liquid Fert Nozzles

The BFS 5Star is a five outlet, quick fit bayonet fertiliser nozzle, which fits most standard nozzle bodies. It allows you to apply liquid fertiliser and then quickly swap over to spraying without removing them.

15% discount when buying 25 or more.

RRP \$37.63 + GST ea

Agreto Baler Mounted Moisture Tester

Mounted in the bale chamber, the moisture tester provides real time moisture content readings straight to the driver while baling.

\$1,200 + GST

OPENING HOURS

Our summer opening hours will end on April 4th. From Monday 5th April we will be open Mon-Fri 8am - 5pm (no Saturday opening).

As always, our afterhours service is available at all times; phone 03 307 7445 and follow the prompts.

LASTLY.....

It's been a long time since our last big event and we are really excited to see you at the shows and field days happening in March. Hopefully you will find some time to step off the tractor or harvester and come out to support these great community events - where we get to catch up with friends and acquaintances face to face, have a yarn and enjoy each others company.
