Hello from EuroAgri! In this edition, we're revisiting the vibrant Ashburton A&P Show 2023 for cherished memories. Meet our dedicated team, the driving force behind EuroAgri's success. Get a sneak peek at upcoming events and tradeshow. Plus, check our Christmas and New Year's hours for the holiday season. So, grab a seat, and dive into all the exciting updates in store. Cheers!

Ashburton Show turns on another great event

The annual Ashburton Show held last October 27-28 was a great success in bringing the local community together. With activities for all ages, there was plenty of fun to be had. The bouncy castle was popular with kids, who enjoyed jumping around for hours. Families also enjoyed the barbecue and giant outdoor Jenga provided entertainment for teenagers. We at Euroagri are proud to support an event that brings the community together.

We were delighted to congratulate Livia Kennedy and Roger Peacock on winning the double pass prize in our recent Ashburton AP Show giveaway. Both winners greatly enjoyed their full admission to the successful show held last

support of this important community event.

Meet the team

John MacPherson - After Sales and Parts Manager

Introducing John - a true master of his craft! John's passion lies in solving machinery part problems for farmers and contractors. His mission? To swiftly get their gear back up and running, ensuring they experience minimal downtime. It's not just about making a sale for him, it's about going above and beyond.

Support Local Producers at Upcoming Waimumu Event

Mark your calendars for the Waimumu Field Days on 14-16 FEB 2024. This popular rural event continues to bring the local farming community together. As a proud sponsor of the event, we'll be set up at **Site 482**.

Come by our stand to learn more about our products and services. There will be family-friendly activities, machinery and livestock demonstrations throughout the weekend. It's a great chance to catch up with neighbors, support local producers and enjoy country hospitality. We hope to see you at Waimumu Field Days!

Upcoming Tradeshows

Out and about

It was exciting to be part of FAR's Leading Change Program recently, where we put the Lemken Azurit 10 Maize Planter with DeltaRow to the test. We look forward to updates in the future.

Over the feast of season, we'll be closed on Statutory public holidays only.

As always, our after-hours service is always available; call 03 307 7445 and follow the prompts.

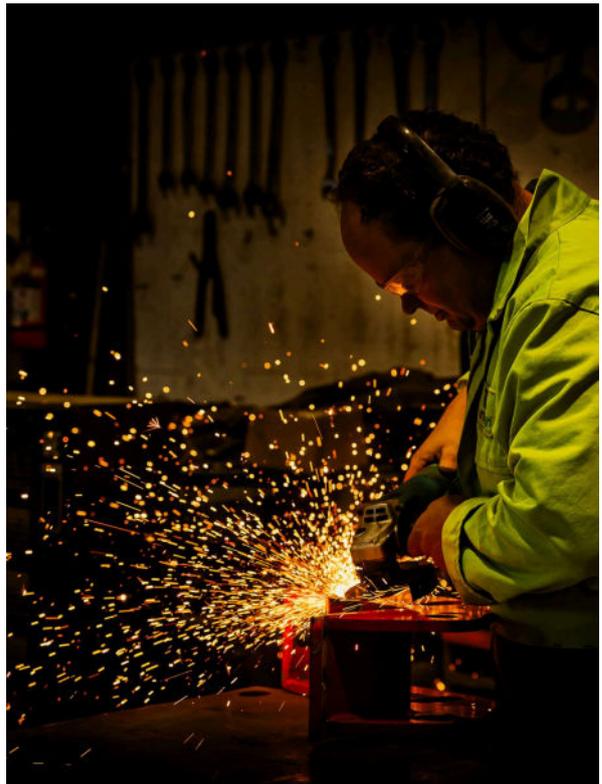

General engineering repairs and modifications

Kirk, Brad, and Brendon can help with all types of engineering repairs and modifications.

- General Engineering
- Machinery Modifications
- Equipment Repairs
- Sprayer & Fertiliser Repairs
- Sprayer Conversions

If you have a job you need doing, call us on **03 307 7445** or call in and see us next time you're in town - **239 Alford Forest Road, Ashburton.**
