Winter 2021**

Welcome to the EuroAgri Newsletter; we are delighted to be delivering our quarterly news, updates and specials to you.

EVENTS

June 27th - 29th - New Zealand Groundspread Fertilisers Association Conference

Located this year at The Hermitage Hotel at Mt Cook, the NZGFA Conference is the largest annual gathering of ground spreading professionals for networking, inspiration and business development.

July 1st & 2nd - Ruralco Instore Days

October 29th & 30th - Ashburton A&P Show

November 10th - 12th - The New Zealand Agricultural Show

NEW STOCK

Our latest shipment of Lemken equipment has arrived. Our first Rubin 10 6m was snapped up in the Autumn so we made sure to include another in this shipment. Also in this shipment is a Diamant 16 7+1 reversible plough and two Heliodor 9 compact disc harrows, a 3m and a 6m. All four machines will be ready for demonstration very soon.

Watch Farm Trader's recent review of the Rubin 10 below to see what all the buzz is about!

WORKSHOP UPDATE

Our experienced workshop team of five are keeping themselves busy with winter maintenance and repairs, spread testing and new builds.

Every year we gently try and remind you to book these jobs in early to ensure they can be completed by the time they are needed.

Please make sure you aren't held up next season by talking to Terry Gordon, our Service Manager, sooner rather than later.

Contact Terry either on 027 669 8779 or by emailing service@euroagri.co.nz

FREIGHT UPDATE

We are all well aware by now of the effect COVID has had on imports and exports around the globe. Despite our best efforts, EuroAgri's supply of equipment and parts has been disrupted and delayed.

For those waiting for items that have already been ordered, we are doing our very best to keep you updated as the information flows through to us.

To minimise delays through the season, we would encourage you to talk to us sooner rather than later so we can front-foot any issues.

OPENING HOURS

As the longest day has now been and gone, we can start the mental countdown to spring and summer, please remember that we are open Mon-Fri 8am - 5pm until daylight savings begins on September 26.

As always, our afterhours service is available at all times; phone 03 307 7445 and follow the prompts.

LASTLY.....

As the year is ticking away, we hope Winter is treating you well. The recent rain event in Canterbury has highlighted again how resilient farmers really are. We are thinking of you, and if help is ever required, please don't hesitate to call.

Hopefully you all have some time to relax and restore ahead of what will no doubt be another busy farming year.
