Your quarterly newsletter from the team at EuroAgri -
Spring 2020

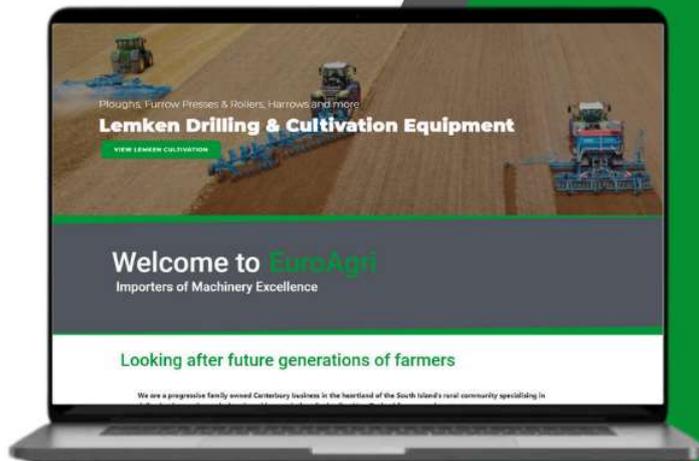

Welcome to the EuroAgri Newsletter; we're delighted to be back delivering our quarterly news, updates and specials to you.

NEW WEBSITE

Our fresh new website launched in early September and we are so happy with it. All the information you need about us and our services is there. Alongside this we have listings of in stock used and new machinery and information about our family of brands.

If you haven't already, pop over to www.euroagri.co.nz to explore.

New Website Launch

STAFF PROFILES

LEMKEN IS HERE

Lemken is a an excellent new addition to our family of brands. For 240 years Lemken has had a reputation of superior quality in both the materials they use and the way they produce their machines. Lemken have a diverse range of equipment available, all designed to deliver smart solutions for the agricultural challenges of today and tomorrow.

Our first shipment of Lemken machinery arrived mid-September. In stock for viewing and demonstration is a 6m Rubin 10 Disc Harrow and a 3m Heliodor 9 Disc Harrow.

SPRING / SUMMER 2020

Daylight savings is here and we are now open on Saturday mornings from 8.30am - 12pm. As always, our afterhours service is available at all times; phone 03 307 7445 and follow the prompts.

LASTLY.....

We want to acknowledge what a trying year 2020 has been. Agriculture has proven once again to be an integral industry that must continue on despite a global pandemic. Thank you to our clients and customers for your continued support through this period. We are also proud of our team for maintaining our excellent level of service through testing times.

Our next newsletter will be out in December. Take care until then.
